

Voucher Grant Information

Our Vision: Helping Others Pursue Excellence

Our Grant Goals: Our goal is to support organizations that have a strong track-record—or those with great promise—of doing work that serves individuals and families in need on the Palouse.

Hope Center voucher grants will be awarded in the form of \$10.00 Hope Center Thrift Store voucher cards. Each voucher will bear the name of the organization that it was awarded to, and an expiration date. The awarded organization will need to write on the card the intended use area to specify use criteria so that the Hope Center cashiers will know what items to allow such as clothing, baby items, hygiene items, bedding, furniture, household items, etc.

Application Process: Interested groups should submit a grant application via email to: hopecentermoscow@gmail.com If more space is needed to answer the questions than is provided please feel free include an additional page. The Hope Center selection committee will select recipients based on the merit of the proposal and the potential impact of the work.

Timeline: Grants will be awarded bi-annually.

- Application deadline June 15 and December 15
- Notification of awards by the first week of July and January

Criteria for Selection:

Grant applications will be considered in light of the following factors:

- Does the request fall within the Hope Center’s vision of Helping Others Pursue Excellence and the Voucher Grant goals?
- How clear are the organization’s purpose and the outcomes it seeks to accomplish?
- How does the organization follow up with people given vouchers?
- To what extent does the project or program meet an important need in the community?
- Does the organization have the capacity to accomplish the work?

Questions? Please contact Jessica Burns at hopecentermoscow@gmail.com

Phone number: _____ Website: _____

Contact name: _____ Phone number: _____

E-mail address: _____

Tax identification number: _____

Does organization have 501 (c)(3) status? Yes No

Requested Voucher Grant: \$ _____

Describe your organization and mission statement.

Explain the project or program for which you are seeking vouchers. Describe your target population.

How do you determine who will receive vouchers? How will the organization follow up with people who are given vouchers?

The Hope Center is a Biblically centered, Christian non-profit which is pleased and honored to work with a wide variety of non-religious and religious groups within the Palouse. Therefore, we prohibit organizations which disburse our vouchers from the use or public display of our name or logo without our express written consent. This allows us to maintain our position of being able to assist many different organizations regardless of their political or religious affiliation.
